

NOTES FROM THE WAREHOUSE

DEAR NEIGHBOR,

The furniture we provide local families fills more than just rooms.

It fills people with hope, and a much-needed sense of security and stability. It's a stepping stone toward a fresh start at independence after hardships, crises, and life's curveballs.

As more low income housing is becoming available in McLean County, we are busier than ever—**more struggling families in need of more furnishings.**

Our Downtown warehouse is where we welcome new families, where we repair and store furnishings, where families choose what to take home, and where we unite as staff and volunteers around a cause we believe in so deeply.

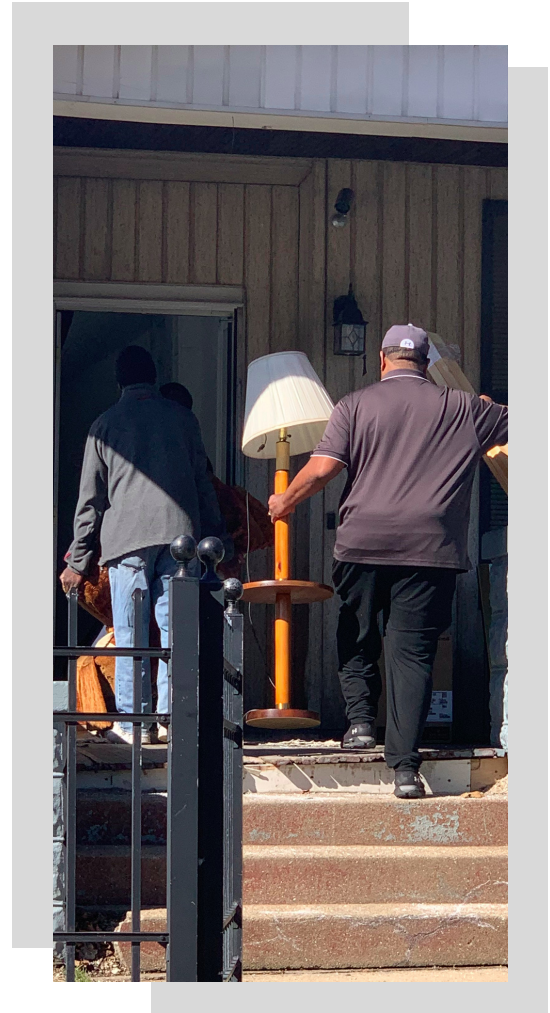

So, maintaining our warehouse is essential. **But we're still \$ 50,000 short of the funding we need to keep our beloved building operational and our mission moving forward.**

We ask that you donate what you can to fund these repairs and the families we serve.

Sending blessings to you and yours,

Frank Downes, *Executive Director*

THANK YOU FOR YOUR GENEROSITY.

MAKE YOUR CHARITABLE CONTRIBUTION AT RF4F.ORG/DONATE OR BY MAILING THE ENCLOSED ENVELOPE WITH A CHECK PAYABLE TO RECYCLING FURNITURE FOR FAMILIES.
